LIFE BETTER

# BEDDING CHOPPER

## SELF-PROPELLED

## QUICK AND EFFICIENT BEDDING WITH MUCH LESS EFFORT!

### EASY MAINTENANCE

The heavy-duty steel rotor is designed for low maintenance and easy knife replacement. Smooth knife spacers reduce the possibility of twine wrapping around the rotor shaft.

### INGENIOUS DESIGN

The ingenious design of the rotor shaft and knives discs offers a spiral pattern for smooth operation which also requires less horsepower!

### LARGE TUB

The large capacity tub, of 48" (122 cm) diameter, means fewer trips to the filling station since it can handle up to 4 small bales or large chunks of big bales

### EASY TO CONTROL

No more pushing or pulling, easy to control, the self-propelled Valmetal bedding chopper is driven by two hydraulic motors.

### Specifications

68 reversible heat treated knives

High performance hydrostatic pump (4000 psi)

Size: 89,5" (227 cm) long by 51" (129,5 cm)

Height: 62" (157,5 cm)

Weight: 850 Lb (385 Kg)

### Addition of a bumper

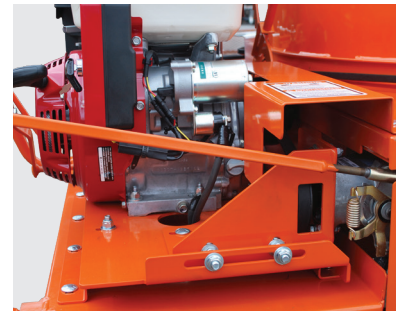

Upon impact, the circuit is cut and the engine stops. The reset of the limit switch is necessary to restart the engine.

A powerful mechanical brake mounted on the rotor shaft.

Limit switch.

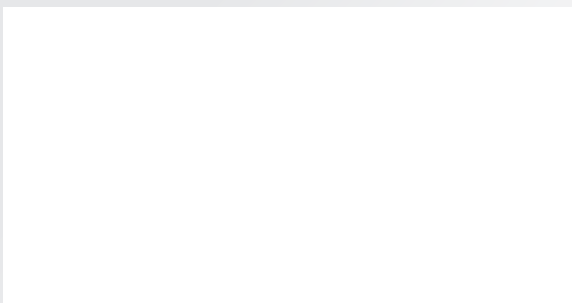

13 HP Honda engine with electric starter

## 4 WHEELS MODEL ALSO AVAILABLE
